

Building on Solid Expertise

# JAMES S. LESTER, PE

**DIRECTOR OF HIGHWAY ENGINEERING / BRANCH MANAGER - HAMILTON, NEW JERSEY**

Mr. Lester joined Medina Consultants in 2001 as Operations Manager in our Lawrenceville, NJ office. Currently, he holds the position of Director of Highway Engineering, and the office has since moved to Hamilton, NJ.

A resident of central New Jersey all his life, Jim received his Bachelor's of Civil Engineering degree from New Jersey Institute of Technology, graduating in 1983. Prior to joining Medina, he spent 16 years with an Engineering News Record top-ranked firm, where he held increasingly responsible positions in the highway department of their New Jersey office.

Over his long career in transportation engineering, he has met the needs of clients including NJDOT, NJTA, SJTA, NJ TRANSIT, DeDOT, and many New Jersey counties. With Medina, he has broadened his portfolio by also managing large survey and mapping projects, as well as complex right of way and utility engineering projects.

Mr. Lester is active in community recreation and civic programs, and he is a Member of the North Central New Jersey Section of the American Society of Highway Engineers (ASHE).
